

Association

Inheritance

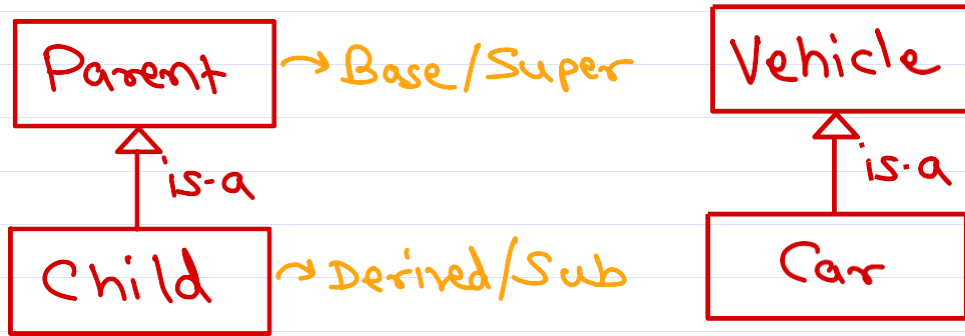

The diagram shows two inheritance relationships. On the left, a box labeled 'Parent' is connected by an upward arrow labeled 'is-a' to a box labeled 'Child'. To the right of the 'Parent' box is the text 'Base/Super' with an arrow pointing to it. To the right of the 'Child' box is the text 'Derived/Sub' with an arrow pointing to it. On the right, a box labeled 'Vehicle' is connected by an upward arrow labeled 'is-a' to a box labeled 'Car'.

All members of parent class are inherited to the child class.

Parent/Super class : generalized
inheritance ↑
child/Sub class : specialized
